Essex Needs You

To help protect our countryside

Just a little bit of help from you could make a real difference

Formed almost 100 years ago to limit urban sprawl, CPRE, the countryside charity, has huge influence on Government when planning issues are debated.

CPRE Essex is the only charity that fights for the wider countryside in our county. We don't just battle to protect trees, birds, wildlife or open spaces – we seek to protect the countryside itself.

We are looking for volunteers to support our work within the county. We want to grow our presence across Essex and to do this we need to fill a variety of volunteering opportunities, large and small, for people of all circumstances.

Opportunities include:

Information gatherers

District team leaders

Recruiters

Fundraisers

Planners

Event organisers
